Requesting funding support

"Sustain the line. The line only continues." ROBERT WILSON

Formed in 1997, The Oomph!! Group has produced such works as Don DeLillo's "The Day Room", Paul Herwig's adaptation of "A Hunting of the Snark" and "Aureola Part I".

Oomph!! is a hot, new, innovative company that is changing the Toronto theatre scene. We NEED your support for our next project "me@sure 3.1" to provide such necessities as artist fees, rehearsal time, and stage equipment to further develop this original "Measure for Measure" adaptation!
